On Site Recycling or the Greening of Starwood

Recycling is the law in the State of New York and therefore is mandatory at Starwood this year. If you can take your trash home with you and recycle in your community, so much the better. If you wish to make use of the on site recycling, please keep these helpful hints in mind:

- 1] Keep all bottles clean. Rinse them right away.
- 2] Burn paper in campfire right away. * [BE CAREFUL OF FLYING ASH] *
- 3] Don't let trash build up at campsite, take to recycling area often.
- 4] Separation is easy if done as part of the cooking/eating process.
- 5] Keep A L L PLASTIC, CANS, PAPER, ETC. out of food scraps; Put scraps in a paper bag to be composted.

So, here is the breakdown for separation.

A] Aluminum

Foil, pie plates, T.V. trays, beer and "soda" cans. RINSE AND FLATTEN.

*** N.Y.S. 5c DEPOSIT ON SPECIFICALLY MARKED CANS. ***

These need to be separated from other cans, rinsed, left undamaged, and can be returned to the local grocer for a refund.

B] Tin (steel) cans- Rinse, remove labels and ends, flatten and store.

C] Glass jars and bottles- Separate by color- Clear, Amber, Green. Rinse, remove metal rings, labels may stay on.

*** Same as Aluminum regarding N.Y.S. refund. ***

D] Plastics- Containers with these symbols-

PET.

HDPE

PP

can be recycled. Rinse, remove hard caps and rings, flatten.

*** Same as Aluminum regarding N.Y.S. refund. ***

NON-RECYCLABLE- Other plastics and polystyrenes- bag and take with you, if possible.

* Diapers, tampons, feminine napkins- **DO NOT FLUSH!!**

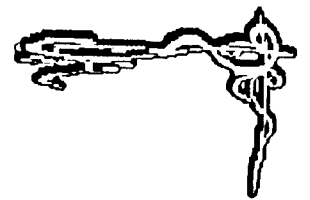

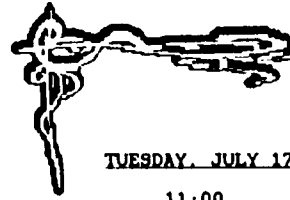

Use the containers provided, next to the toilet!

* Garbage bags- Do not degrade in landfills. Some may be available at Registration, share a trash bag with a friend! If you must dump, get 'em full and tie 'em closed.

DISHWASHING- We'd prefer you NOT use the sinks in the bathrooms. Grease and food scraps wreak havoc on the BRAND NEW PLUMBING. Not to mention it is thoroughly disgusting and

→ If you feel you must use the sinks, at all, YOU MUST CLEAN UP AFTER YOURSELF !!!

It makes the plumber all wet and pisses her off
